

REMARKS

In the Office Action of July 24, 2007, there was an indication of allowed claims and allowable subject matter and such indication is gratefully acknowledged.

Claim 7 was objected to as depending from previously canceled claim 5. In this response the claim dependency of claim 7 has been changed to claim 1.

Claims 8 and 9 were rejected and these claims have been canceled without prejudice. The subject matter of claims 8 and 9 has been incorporated in claim 10 to make it self-contained and allowable subject matter had been indicated for claim 10 in the Office Action.

There was also an objection to the Fig. 1 of the drawing as lacking a lead line for reference number 9 and this has been added by the amendment to the drawing.

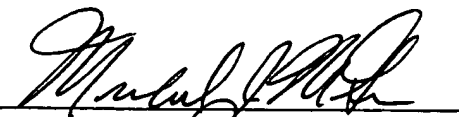

CONCLUSION

In view of the Amendment and Remarks, reconsideration of the amended claims is respectfully requested.

After the Amendment and Remarks, claims 1-3 and 6-7 and 10 are still pending and a Notice of Allowance for these claims is earnestly solicited.

Respectfully submitted,

By:
